METALLO  
METAL

\* **Le lamiere in ferro naturale possono presentare variazioni di tonalità e disomogeneità che sono caratteristiche della naturalezza del materiale e non costituiscono difetto.**  
Any irregularity and colour inhomogeneity of the Natural Iron sheets are typical of this material and are not to be considered a defect.  
Le Fer naturel peut présenter des irrégularités du couleur qui sont typiques de ce matériel et qui ne doivent pas être considéré un défaut.  
Las chapas de hierro natural pueden presentar variaciones de tonalidad e irregularidades que son características de la naturalidad del material y no constituyen un defecto.  
Blechpaneele aus Eisen Natur können Schwankungen im Farbton sowie Inhomogenitäten aufweisen, die für die Natürlichkeit des Materials charakteristisch sind und keinen Mangel darstellen.
